BATTLE OF THE BAGS

TOURNAMENT RULES

Basic Game Play

- The game is played with 4 players (2 per team)
- The boards will be placed 27 feet apart (front to front)
- Team partners face each other from opposite boards
- Play starts at either board with all eight bags
- Each team plays with a set of 4 bags and each team has their own color bag
- Opponents alternate tosses until all 8 bags are played
- The round is then scored (see scoring)
- Repeat the play from the other board
- The highest scoring team from the previous throw has honors

Scoring

- The first team to get 21 points wins!
- A team earns 1 point for bags on the board. Points will not be given if a bag hit the ground first and then bounced on the board. Points will also not be given if the bag is touching the ground.
- A team earns 3 points for bags that go into the hole. They must go completely in the hole. Bags that are hanging in the hole only count as 1 point. If you opponent knocks your bag into the hole you still get 3 points.
- We will use rally scoring. This simply means points do not cancel. Should a team exceed 21 points their score will go down to 13.
- Both players get an opportunity to throw at each turn. Should there be a tie for the win sudden death rules will apply. The first team to take the lead after both players throw is the winner.

Selection of Players and Stance

- Players will flip a coin to see which team goes first and to determine sides.
- Where you stand is a personal preference as long as you don't cross the foul line which is an imaginary line that is even with the front of the board.
