

NEW CODE OF ORDINANCES

Ordinance 2018-1 was passed on December 12, 2018 adopting the new Code of Ordinances for the City of Salix. A copy of the ordinances is available under the resources tab online at www.salixiowa.com or at City Hall.

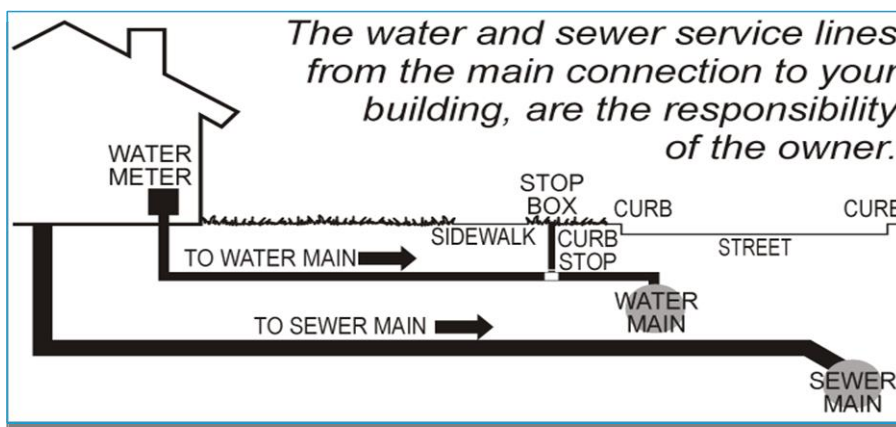

REDUCE, REUSE, RECYCLE

Want to try a resolution that doesn't require a huge time or financial commitment? Recycling common household materials such as plastic, paper and aluminum is incredibly easy. Gill Hauling offers small green containers for City of Salix residents free of charge and they pick up every other Wednesday. The recycle calendar is on the City's website at www.salixiowa.com (under the resources tab) as well as a list of what is accepted. A white dumpster is also located in the community center parking area for larger items. So if you need a resolution, try recycling...it easier than dieting and doesn't require a gym membership!

SERVICE LINE PROTECTION

Salix Code of Ordinances state that the homeowner is responsible for any repairs to the service lines from the MAIN connection to the building. These repairs can be very costly but more and more insurance companies are offering service line protection to help

homeowners with this expense. In most cases, service line coverage includes water, sewer and electrical service line repairs. Homeowners are strongly encouraged to contact their insurance companies to discuss options for service line protection.
