Don't forget to set your clocks back one hour on Sunday, November 7th

WINTER REMINDERS

Living in Iowa, we all know just how unpredictable our weather can be. Although we don't like to think about it, winter storms may be here before we know it. To help us make snow removal from streets faster and easier, here are some friendly reminders....

OFF STREET STORAGE: All recreational vehicles including boats, trailers, RV's, farm equipment, etc. need to be moved to permanent storage areas before November 15th.

SNOW EMERGENCY: Snow emergency procedures go into effect anytime there is a snowfall of two inches or more. All vehicles must be moved from the streets during a snow emergency so that City Maintenance has access to the entire street. Help make snow removal faster and easier by removing your vehicles when snowfall is expected.

The Owner-Occupied Housing Repair/Rehab Program is designed to help low to moderate income residents in the service area maintain their homes in safe, decent and livable conditions. When funding is available the program works to complete home repairs that assist in maintaining the integrity of the homes in our communities. Eligible repairs include roofing, electrical work, plumbing, window replacement, foundation work, painting, siding, handicapped accessibility and other repairs as determined necessary. For additional information contact SIMPCO at 712-279-6286.

Enroll for Auto Pay

Avoid late fees and have your water/sewer/garbage bill automatically deducted from your checking or savings account each month. To sign up, stop by city hall or find ACH forms under the "resources" tab on our website:
