

# SALIX QUASQUICENTENNIAL QUILT INFORMATION SHEET

Thank you for displaying your quilt at the Salix Quasquicentennial Celebration. Quilts will be on display inside the Salix Community Center from 1:00pm to 4:00pm. A volunteer will be watching over the quilts at all times. Because we have so much going on in the community center that day, we would appreciate if you could arrive with your quilts between 12:30pm and 12:45 to put them on display. If you have a quilt stand, please bring it, as the tack strips on the walls are not strong enough to hold the quilts. Otherwise, we will offer 8 foot tables and your quilt can be draped along the tables.

Please provide the following information about your quilt entry. This will be displayed with your quilt. To get an idea of how many quilts we will have on display, we would appreciate if you could send this sheet back to us by 9/14/18. You may drop it off at city hall or email to: [salixiowa@longlines.com](mailto:salixiowa@longlines.com).

Please write a short paragraph about your entry. Include any information you feel is appropriate to describe your quilt such as the quilts history, who made it, what was your inspiration, what is the pattern, etc.
