CENSUS – IT’S YOUR CIVIC DUTY!

Census workers will soon begin going door to door for those households that have not completed their census. Want to avoid a knock at your door? Just go online and get it done. It only takes 10 minutes of your time and it is so very important to our cities, schools, fire departments, etc. Did you not receive your census card or misplace it? That’s okay, you can still complete your census online. Go to www.my2020census.gov and click on start questionnaire, then select option 2. If you need help or don’t have a computer, please contact me at City Hall.

Log in to 2020 Census – 2 Options

There are 2 options to Log In to the 2020 Census
Option 1:
 Enter your 12-digit Census ID
 That’s from the Census Bureau letter you would have received in the mail
 No letter? No problem...
Option 2 - blue line below log in button
 If you do not have a Census ID, click here
