Property owners as shown above, encumbrancers, lienholders, unknown heirs and claimants by will, to all whom it may concern, including the actual occupants of the land, or tract of land, described in and including Salix Drainage District, Woodbury County, Iowa.

YOU AND EACH OF YOU ARE HEREBY NOTIFIED that the Salix Drainage District Trustees, acting as trustees on behalf of the Salix Drainage District in said county has employed Veenstra & Kimm as an engineer to determine the feasibility or the necessity of having repairs, and/or improvements, all concerning the drainage facilities of Salix Drainage District in order to provide adequate drainage and relief for the lands included in said Salix Drainage District.

YOU ARE FURTHER NOTIFIED that the Salix Drainage District Trustees requested that said engineer make a preliminary survey and investigation of the possible repairs and improvements of Salix Drainage District.

YOU ARE FURTHER NOTIFIED that drainage engineer Veenstra & Kimm has filed his report with the Auditor of Woodbury County, and The City of Salix Drainage Clerk in which he recommends certain repairs, and/or improvements; and that the engineer's estimate for the costs of the proposed repairs, improvements, and potential annexation and reclassification are as follows:

Clear trees and excavation of ditches:	\$70,813.00
Remove and replace inlets:	\$12,350.00
<u>Clean and inspect storm sewer pipes:</u>	<u>\$44,656.00</u>
ESTIMATED TOTAL:	\$127,819.00

YOU ARE FURTHER NOTIFIED that this report and recommendations in full are on file in the office of the Woodbury County Auditor at the Courthouse in Sioux City Iowa, and The City of Salix, for your information and you are encouraged to obtain a copy and review the same prior to the date set for hearing in this notice. Said reports have been reviewed and considered by the Salix Drainage District Trustees and they have been tentatively approved as the board has determined that the repairs and improvements are necessary and feasible. The engineer reports also contained the following recommendations and proposals:

1. **Right of Way.** The report recommends the consideration by the board of the acquisition of additional right of way for this project which will be considered at this hearing or a continuation thereof.
2. **Annexation.** That at a later date an annexation of additional lands will be considered by the board.
3. **Reclassification.** That at a later date the board will consider reclassification with appropriate adjustment of assessments.
4. **Interest Rate and Waivers.** The board will also consider the appropriate interest to charge on stamped warrants and determine the length of time that assessments may be paid of not less than ten (10) nor more than twenty (20) years.

For further particulars you are referred to the engineer's reports for Salix Drainage District now on file in the office of the Woodbury County Auditor.

YOU ARE FURTHER NOTIFIED that the Salix Drainage District Trustees, acting on behalf of Salix Drainage District has fixed a time and place of hearing on said report and proposed repairs and improvements, for **July 31, 6:00pm**, in Woodbury County, Salix Community Center located at 317 Tipton St. At said hearing the Salix Drainage District Trustees shall hear objections to the feasibility of such repairs and/or improvements of the drainage district as may be presented by and for any landowner in the district. The report of the engineer as filed herein may be amended before final action is taken thereon by this Salix Drainage District Trustees. This hearing may be continued from time to time without further notice as determined by this Salix Drainage District Trustees.
